Type of Insurance and Cover

This insurance is designed to protect you if your gadget is accidentally damaged, lost or stolen or it suffers a mechanical or electronic breakdown outside of the manufacturer's guarantee period. It also covers unauthorised calls, texts, downloads and data use in conjunction with a claim for the gadget. Which of the coverages apply depends on the cover level you selected when purchasing this insurance, which is shown on your Policy Schedule.

We will only cover the following items: E-Readers, digital cameras, games consoles, laptop computers, headphones, MP3/MP4 players, mobile phones, smart watches, satellite navigation devices, tablets and video cameras.

Duration of the Policy

The Period of Insurance is shown in the Policy Schedule. It is normally 12 months unless cancelled.

Cancellation of the Policy

Your Cancellation Rights

You can cancel your policy within 14 days of the policy start date or, if later, 14 days of the date you receive your Policy Document. We will refund any premiums you have paid as long as you have not made a claim and do not intend to make a claim.

If you cancel after this 14 day period you will receive a pro-rata refund less an administration fee of £15. If the refund does not exceed £15 there will be no refund. Cancellations will not be backdated.

The Insurer's Cancellation Rights

We reserve the right to cancel this policy immediately if you commit fraud. If we cancel your policy, we will do so in writing to the most recent address we have for you.

Your policy also will end automatically if you do not pay any premium when it becomes due. If this happens, you will be contacted requesting payment within 14 days. If we do not receive payment within this period, you will be written to again notifying you that your policy will be cancelled from the date of your first missed payment.
